

## Airport Shuttle Recommendation

Here at Zephyr Point, we recognize that many of our guests are traveling from outside the Tahoe area. Although we don't offer a Reno airport shuttle service that is specific to Zephyr point, we have a trusted company that will gladly take you and your family to and from the airport to our neighboring town in Stateline/South Lake Tahoe.

Our recommended company is called **South Tahoe Airporter** <http://southtahoeairporter.com/> . Please use the link to purchase your shuttle tickets. NOTE: We recommend purchasing two separate tickets for your arrival and departure trips as the departure shuttle from LakeSide Inn will carry on further into California before turning back toward the Reno airport. The following are our specific ticket recommendations:

### **Coming from Reno-Tahoe International Airport to Zephyr Point**

Book your ticket to:

#### **LAKESIDE INN AND CASINO**

168 US-50, Stateline, NV 89449  
(775) 588-7777

### **Going from Zephyr Point to Reno-Tahoe International Airport**

Book your ticket from:

#### **MONTBLEU RESORT**

55 US-50, Lake Tahoe, NV 89449  
(775) 588-3515

Once your ticket is booked and you know your drop off time, please contact Zephyr Point Program Coordinator so that we can pick you up and bring you her to Zephyr Point. [program@zephyrpoint.org](mailto:program@zephyrpoint.org) or call 775-588-6759 ext. 107
